Farm Rescue to Launch “Rolling with Farm Rescue” on June 1

(JAMESTOWN, N.D.) – Farm Rescue, the nonprofit organization that plants and harvests crops for farm families who have suffered a major illness, injury or natural disaster, will launch “Rolling with Farm Rescue” on June 1.

The first-of-its-kind contest will raise funds for the agricultural-based nonprofit through a generous donation by Stutsman Harley-Davidson of Jamestown, and 59 other businesses in the region. One lucky contest participant will win a 2010 Harley-Davidson motorcycle.

To be eligible for the prize, participants must obtain a route stamp card online at farmrescue.org or in person for free at Stutsman Harley-Davidson. Once in hand, contestants must travel to six of the 60 participating businesses to get a stamp on their card with each business’s unique insignia. (No purchase required.) The card is then returned to Farm Rescue for entry into the motorcycle drawing on August 28.

All cards must be postmarked no later than August 21 to be eligible for the drawing. Participants need not be present to win.

For more information, go to farmrescue.org and click on the “Rolling with Farm Rescue” logo or call 701-252-2017.
