

Thank You

We want to thank everyone
From the bottom of our hearts
But we don't even know
Where the heck to start

So many people have
Done so much
You've made a huge impact
Instead of a little touch

We appreciate everything, everyone has done
More than words can say
We thank God for all of you
Each and every day

In our life there has been
Some downs
But you came together
And turned it all around

Now we know these are just words, and a "Thank You"
Doesn't seem enough
But we hope someday we can help you
And repay you for all this stuff

Your hearts have been made
Big not small
So Thanks again for everything
And may God bless you all
