

Thursday, February 8 will be your chance to be a *Farm Rescuer* by supporting Farm Rescue during the 24-hour online fundraiser, Giving Hearts Day. Over the past year there have been strong developments with Farm Rescue. We had the honor of assisting our 500th family while carrying out Operation Hay Lift, in hauling hay to drought-stricken regions. Through Operation Hay Lift, as well as volunteer-based planting, haying, and harvesting, Farm Rescue was able to assist twice as many (125) farm and ranch families in 2017 than in any previous year. Your Giving Hearts Day contribution on Thursday, February 8 will have a positive impact on the compassionate and patriotic mission of Farm Rescue!

Please consider making a 2018 Giving Hearts Day gift to Farm Rescue by visiting givingheartsday.org on Thursday, February 8.

Matching funds are in place for the 2018 Giving Hearts Day! Your charitable donation of \$10 or more will be maximized thanks to matching funds provided by generous donors. Only gifts entered through givingheartsday.org between 12:01 a.m. and 11:59 p.m. Central Time on February 8 will qualify for the match monies.

Through your partnership, Farm Rescue will help farm and ranch families maintain viable farming operations after experiencing severe illness, injury or natural disaster.
