## **Farm Rescue Receives Significant Donation from Nutrien Ag Solutions**

*Contribution supports family farm and ranch assistance missions*

**HORACE, N.D., August 29, 2022** – Farm Rescue, a nonprofit organization that provides free planting, haying, harvesting, commodity hauling and livestock feeding assistance to farm families who have experienced a major injury, illness or natural disaster, received a significant donation from Nutrien Ag Solutions.

“Serving our customers is at the heart of everything we do, and we want to be sure we are there for them in good times and hard times,” said David Elser, Senior Vice President of North America for Nutrien Ag Solutions. “At its core farming is about community, and Nutrien Ag Solutions is proud to support the critical work Farm Rescue is doing to care for the agriculture community when it is needed most. We look forward to partnering with this organization and continuing to support our farming community.”

Funding will be used to assist in covering the costs of Farm Rescue’s operations when helping family farms and ranches. Nutrien Ag Solutions’ contribution and partnership comes at a good time as Farm Rescue expands the reach of their organization.

“Farm Rescue and Nutrien Ag Solutions share a passion for making a positive difference in the agriculture industry,” Bill Gross, Founder & President, Farm Rescue, “The past couple of years have been especially rough for farmers and ranchers, making the work we do as an organization even more crucial. Farm Rescue looks forward to the impact that we can make in our communities with Nutrien Ag Solutions by our side.”

### ***About Farm Rescue***

Farm Rescue was founded in 2005 and has helped nearly 1,000 families since its inception. The organization’s mission is to help farmers and ranchers who have experienced a major illness, injury, or natural disaster by providing the necessary equipment and volunteer labor to perform time-sensitive services. Applications for assistance are currently being accepted and can be obtained at [www.farmrescue.org](http://www.farmrescue.org) or by calling 701-252-2017.
