Farm Rescue®

Sponsor A Volunteer!

Farm Rescue is a nonprofit organization that provides planting, harvesting and haying assistance to farm families who have experienced a major injury, illness or natural disaster.

In order to keep costs to a minimum, a majority of Farm Rescue's operations are performed by volunteers. However, since Farm Rescue provides lodging and food reimbursements for volunteers in the field, costs quickly add up. We would like to offer you the opportunity to help by sponsoring a volunteer!

It is one of the most beautiful compensations of this life that no man can sincerely try to help another without helping himself."

-Ralph Waldo Emerson

Farm Rescue is excited to share with you a new program that will enable you to participate in our mission of assisting farm families who have experienced a major illness, injury or natural disaster.

As the organization's most valuable resource, volunteers come from far and wide to assist with planting, harvesting and haying operations across a five-state region. As our volunteer base expands, so does the number of farm families assisted! With this welcomed growth also comes an increasing need for funds to cover operational expenses such as volunteer meals and lodging.

To ensure a sound financial future that allows Farm Rescue to carry out its mission for many years to come, we are requesting that you participate in broadening our donor base through a program called "Sponsor-A-Volunteer." By making a donation on our website or writing a check made out to Farm Rescue, your friends, family, co-workers, and other contacts can contribute to the important work that volunteers do.

The donations will be applied to the overall expenses associated with volunteering. The suggested amount is \$500 a year per volunteer, however, any amount that can help offset volunteer costs is valuable.

"Farm Rescue gives me a great deal of satisfaction especially seeing the look of relief on the faces of the farm families we help."

—Jack Rutledge, Farm Rescue Volunteer

"It's a great opportunity to get involved."

—Jeff Larson, Farm Rescue Volunteer

Sponsor-A-Volunteer Donations help us offset volunteer costs so we may mobilize more volunteers. By sponsoring a volunteer, you are helping farm families who have experienced unexpected crises.

"It's just wonderful; it's a good feeling to help people."

—Warren Zakopyko, Farm Rescue Volunteer
